Dear Ms. Prisk:

In regards to the letter sent to the Borough of Folcroft from Mr. Larry Miller, the following are the answers to the questions:

1. The waste generated in the Borough of Folcroft is residential every day common trash and not commercial containing contaminants that we know of.
2. The Highway Foreman for the Municipality in the years in question was Robert W. Brydges, 863 Taylor Dr., Folcroft, PA. Deceased 1999, buried at Sts. Peter & Paul Cemetery.
3. There were no documents generated or retained by the Municipality in those years. There were no generation, treatment, etc. concerning hazardous wastes other than the sanitary sewer for sewerage generated by the residents.
4. The Sub Station and or Pump House owned and operated by the Borough of Folcroft in those years was nothing more than a conduit and or trunk lines convergence that directs the flow of raw sewerage to the processing plants located in the Eastwick section of Philadelphia.
5. There are no waste streams produced at the Pump Station as answered in Item 4.
4. The Pump Station does not produce anything.
6. The only waste substances handled at the Pump House as answered in Item 4 flows through the trunk lines at the Pump House and from there to the present waste management by the name of Delcora. Sub questions a to d & f can be answered by Delcora, 100 E. 5th St., Chester, PA 19016, Phone #610-876-5523. E is not applicable as there are no containers.
7. Is answered in the previous answers.
8. Not that we know of.

9. Not applicable to our Municipality.

10. Not applicable to our Municipality.

11. Not to our knowledge as stated in previous questions and answers we do not generate, produce, store or in any other way have anything to do with hazardous materials.

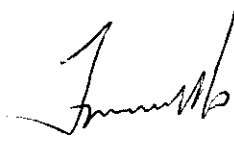

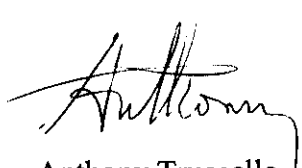

12. This question was answered in item #2 and records in the years in questions are non-existing.

13. Not to my knowledge.

14. None

15. None

Respectfully,

Anthony Truscello
Chief Administrator

Borough of Folcroft
